

Asylee Survey: English Language Learners Option

Our church has spent a while praying and asking the Lord if we are called to move into helping. As of this moment, it looks as though there are 4 well-sized encampments in South King County:

- a. Riverton Park United Methodist
- b. Double Tree Hotel in Sea Tac
- c. Quality Inn in Kent
- d. The encampment next to the Econo Lodge in Kent

In speaking with some of the asylum seekers, as well as observation, a primary need right now is productive things to do. One clear possibility is facilitating ELL classes. In facilitating ELL classes, we will need conversation partners as well as people to help work through the work that is given. It would also be a dream if some people might be willing to help any children who come along. In that space, the attention would be less on ESL teaching, and more on childcare.

But, we can't do this alone! We need at least 5 people to be able to do this effectively. So...

1. Would you be willing to participate in this ministry?
2. Would you prefer to do:
 - a. ASL Help
 - b. Childcare
3. What times would you be available? ***(Circle all that apply)***
 - a. Wednesday from 1 PM – 3 PM
 - b. Thursday from 1 PM – 3 PM
 - c. Friday from 5 PM – 7 PM
